

Emergency First Aid at Work Course 1 day

Course Overview

Our Emergency First Aid at Work course is designed for employers to fulfil the legal responsibilities of the Health and Safety (First Aid) Regulations 1981. All organisations must ensure by law that they have a sufficient number of employees that possess a first aid qualification in order to fulfil their first aid needs at all times.

The Emergency First Aid at Work course is designed to enable participants to attain the knowledge and skills needed to deal with a range of emergency first aid situations. At the end of the course participants will be able to demonstrate the practical administration of safe, prompt and effective first aid in emergency situations with an understanding of the role of the first aider.
