

First Aid at Work Re-qualification Course 2 day

Course Overview

Our First Aid at Work Re-qualification course is designed for employers to fulfil the legal responsibilities of the Health and Safety (First Aid) Regulations 1981. All organisations must ensure by law that they have a sufficient number of employees that possess a first aid qualification in order to fulfil their first aid needs at all times.

The First Aid at Work Re-qualification course is designed to enable participants to refresh their knowledge and skills and extend their First Aider at Work Certificate for a further 3 years. At the end of the course participants will be able to demonstrate the practical administration of safe, prompt and effective first aid in emergency situations with an understanding of their role as a first aider.
