

1 Day (6 Hour) Basic Baby & Child First Aid Course

Course Overview

Our Basic Child and Baby First Aid Course is designed to enable learners to attain the knowledge and competencies needed to deal with emergency first aid situations which can arise when looking after children and babies. At the end of the course, participants will be able to demonstrate the practical administration of safe, prompt and effective first aid in emergency situations.

Who is this course for?

This course is designed for parents and grandparents to provide first aid to children and babies when dealing with an emergency situation and also for people who have a responsibility at work such as au pairs, nannies babysitters or in voluntary and community activities who are exempt from registering with OFSTED. There are no formal entry requirements but in order to benefit from the course participants should possess reasonable communication skills.
