

CPR & AED

Course Overview

This course can be adapted to suit a variety of audiences, from the complete novice to those who are skilled but feel their resuscitation skills need updating. Audiences range from parents, school staff and other first aiders through to dentists, nurses and other healthcare professionals. Resuscitation and AED training takes place over four hours and includes the necessary theory followed by lots of practical “hands-on” practice to build confidence.

Who is this course for?

The training falls in line with the Resuscitation Council (UK) Guidelines 2010 and can be adapted to suit the client in terms of which age group they may be resuscitating, be it babies, children or adults.

Course Content:

The Theory of Resuscitation
Incident Management
Assessment & management of an unconscious casualty
Basic Life Support
Recovery Position
CPR Practice
Choking
Use of AED
AED reporting

Duration: 4 hours
